

# KEEPIT REGATTA - 2011

Do you want to improve your cross country flying skills?  
Do you want to learn more about competition flying?  
Do you want to fly in a relaxed mentoring and coaching environment?  
Do you want to have some fun?  
If this sounds like you, then the Keepit Regatta is for you!

The Keepit Regatta is a fun, friendly and informal regatta, with entries restricted to 30 glider (due to tug availability etc). The basic idea is that this is a mentoring event where pilot pairs are scored together around AAT tasks. We match up early cross country pilots with a seasoned pro, and they compete together as a team, either in two gliders or in a twin. Only the slowest time of the pair is scored, so it is in the interest of the more experienced pilot to coach and assist right throughout the flight. Hence coaching, team flying and mentoring are all encouraged at this event. Really, this is a great opportunity to introduce budding cross country pilots to competition type AAT flying, while not getting caught up in all the formal competition hoo-hah. It will be run in a low key and relaxed way, all the while making sure people have fun.

We would like to get as many two seaters involved, so organise a few pilots from you club to share a two seater or two!

We will be running a briefing session each morning where one of the experienced pilots will talk to a topic of interest of the pilots. We have lined up some hot comp pilots to mentor the less experienced pilots. So come along and learn from the best.

## The Fine Print!

**Dates** - Sunday 20th - Saturday 26th February 2011 (7 days)

**Entry fee** - \$100 per aircraft, plus \$30 per additional pilot. Pilots sharing a glider will have their entry fee pro rated based on days flown.

**Entries** - Max 30 gliders – First come basis.

**Accommodation** - Limited onsite accommodation is available on a first come basis. Further accommodation is available in the adjoining state park if required, all accommodation details are on the LKSC website.

**Gliders** - Bring your own aircraft, or you can hire one of ours. LKSC glider fleet is available for exclusive regatta bookings on a first come basis. See website for fleet detail and contact the organiser for pricing details. Gliders will be handicapped based on the National Club Class Handicaps, and the regatta will be a 100% dry comp.

**Launch costs** – Flat \$45 launch cost.

**Catering** - This is a self catered comp, where you can use of our club house facilities, or dine out in town.
